

# Iowa City Eels Swim Club

Dear coaches,

The Short Course 13/14 & Senior State Championship meet is scheduled for the weekend of March 5 - 7 at the University of Iowa Field House in Iowa City. A copy of the meet invite and meet manager event file is attached. Information about lodging and restaurants can be found on the website for the Iowa City/Coralville Convention & Visitors Bureau at <http://www.icccvb.org>.

Please read the invitation carefully, giving special attention to the scratch and late entry procedures for the meet. The ISI database will be at the meet for proof of times, but it is still important to bring proof of times for your swimmers, especially for high school meets or those meets outside the state of Iowa.

To expedite the set up of the meet for your team in Team Manager, we are offering the hvv file from Meet Manager. This can be found on the ICE website (<http://www.iceels.org>) or by contacting Kelly Eyanson at [eyanksbj@msn.com](mailto:eyanksbj@msn.com). Updates and announcements will be posted on the ICE website for this meet.

Again this year, we will be asking teams to provide timers for each session. We will be basing the number of timers on the number of entries from each team. We will be notifying you a few days before the meet regarding the number of timers we will be asking your team to provide. Please have your timers for each session determined prior to the meet. It is frustrating for everyone when we have to ask teams for timers at the meet. The state meet runs on a tight timeline and having timers arrive for their shifts 30 minutes before the start of each session is a great help in keeping the meet on schedule.

Parking at the Field House can be expensive. Free parking is available west of Kinnick Stadium after 4:30 pm on Friday and all day on Sunday (two blocks). There is also a free lot at the Boyd Law School east of the Field House (two blocks). Parking is available at the parking ramp next to the Field House for an hourly fee and it can also be used to drop off swimmers (first 10 minutes are free).

There will be limited concessions, a photographer, and merchandise available at all sessions.

If you have any additional questions, feel free to contact a meet director or ICE Head Coach Don Spellman. The Iowa City Eels swimmers, coaches, and parents look forward to seeing you in March!
